

RUGBY REFEREES

DEVELOPMENT PROGRAMS

NOVEMBER 2018

Communication

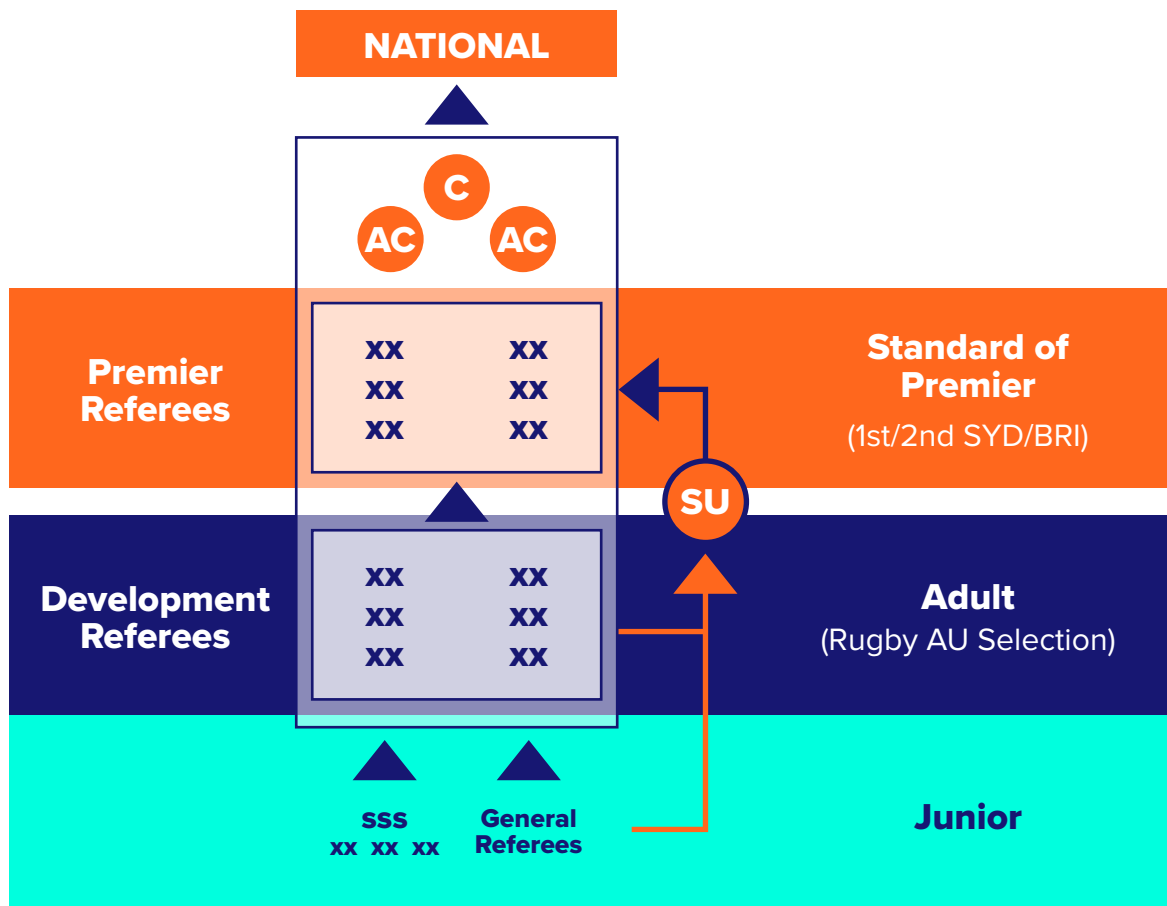

Formalised relationships between ref/coaches with accountability
All referees involved with 'traffic lights' visibility
Individual Season Plan for all referees

Competition

"More competitive environment while in the pathway" - MG
Referees more in charge of their own development

Culture

Reflect NMOT values at each level
#OwnIt attitude

RUGBY REFEREES

PREMIERSHIP GROUP

Criteria

- Referees who Rugby AU consider of a standard that they could be regularly appointed to 2nd Grade Premiership in Sydney/Brisbane or higher
- Referees who may still progress in their refereeing career (e.g. excludes former NMOT referees if they are not competing for future progression)
- Reviewed September/January/May

Expectations of Rugby AU

- Provide dedicated coach to work 1-on-1
- Provide access to 'traffic lights' thinking via Sideline
- Provide access to higher level education clips
- Provide access to regular fitness training, or provide session design depending on location

Expectations of Referees

- Complete an ISP
- Fitness standard of 18 yo-yo to retain place
- Regular GPR completion through season
- Education role – mentor / presentation

RUGBY REFEREES
